DIED,

At his residence, in the bosom of his family,

The design of this work is to furnish a cheap, sive, respectable and influential family. For convenient and popular Library Edition of the years he was afflicted with symptoms threatening consumption, which, from frequent exposures in and parliamentary, of the principal Orators and his active life, at last were developed in the con Statesmen of America. It will contain many firmed and fatal illness of which he died. His which have never before been included in any time had come, and we bow submissively to the collection, and are not readily accessible to the Decree of the All-Wise and Good, consoled with the reflection, that nothing that human skill The work will be completed in two volumes, could do for his recovery was left unemployed such containing 595 royal 8vo. pages, and will For many years he was a member of the Presbycontain numerous portraits elegantly engraved terian Church, and worshipped in the edifics on steel. Price per volume \$2.50 in cluth, and greeted on the family farm. He was extensively known as a kind friend, a tender husband and father, and a worthy citizen. He has left a widow and four young children to mourn his removal excling the attention of Railroad men and the and their loss, but not without a comfortable press generally. It is so simple and yet so ad hope, expressed in his dying moments, to cheer mirably designed, that its advantages, over the them in the belief that it is well with him, "The brake now in use, are at once made apparent.- Lord gave, and the Lord bath taken away, and
